

DISTRICT COURT OF APPEAL, FIRST DISTRICT
Tallahassee, Florida 32399-1850
Telephone No. (850) 488-6151

August 18, 2005

CASE NO.: 1D05-3705

L.T. No. : 04-CA-000559

Marie Jeanne Jean

v.

Carl Dorelien

Appellant / Petitioner(s),

Appellee / Respondent(s).

BY ORDER OF THE COURT:

Upon the Court's own motion, the appellant shall show cause within 10 days from the date of this order why this appeal should not be dismissed because the order does not appear to be a final order nor a nonfinal order appealable pursuant to Florida Rule of Appellate Procedure 9.130. Specifically, it does not appear that the order makes a determination as to the right to immediate possession of property. Additionally, the order does not appear to be appealable by the appellant as to the denial of the motion for enforcement because the order contemplates the entry of a future order on this issue. See Maryland Casualty Co. v. Century Construction Corp., 656 So. 2d 611 (Fla. 1st DCA 1995). If any pleading or order is referenced in the response, a copy of the document shall be attached to the response. Failure to timely comply with this order may result in the imposition of sanctions, which may include dismissal of the appeal, without further opportunity to be heard. Florida Rule of Appellate Procedure 9.410.

I HEREBY CERTIFY that the foregoing is (a true copy of) the original court order.
