 v.) **CRIMINAL NO. 12-CR-10044-DPW**
)
INOCENTE ORLANDO MONTANO)

MOTION TO CONTINUE SENTENCING HEARING

The defendant in this matter respectfully requests, through counsel, that this honorable court continues the sentencing hearing currently scheduled for January 15, 2013, to a date approximately 60 days out that is convenient to the Court.

As reason therefor, counsel states he needs additional time to review the government's lengthy sentencing memorandum and expert submission [D.E. 53, January 8, 2013]. Given the level of detail contained in this information, defense counsel would like to carefully review said submission with the defendant to prepare for sentencing.

Assistant U.S. Attorney John A. Capin has been notified of this request and does not oppose the requested continuance. AUSA Capin is slated to begin a federal trial in New Hampshire that will be ongoing from the end of this month through the entirety of February 2013.
